

YOUR GIFT, YOUR CHOICE OF IMPACT

NO BARRIERS FUND

The No Barriers Fund offers assistance for student emergencies or unexpected needs. Funds are distributed on a case-by-case basis and can cover anything from groceries to utility bills to car repairs. Awards from this fund have an immediate impact and have made a significant difference in the lives of hundreds of CMC students.

FUND SUEÑOS

Fund Sueños is funded by philanthropic donations and will enable students to pay for college through income-share agreements, or ISAs, in which students pay no up-front tuition in exchange for a fixed percentage of income after graduation over a set period of time.

TEACHER EDUCATION STIPENDS

CMC's Rural School Teaching Fellowship program is designed to provide a \$10,000 housing stipend and a guarantee of a job in the district to every teacher candidate who agrees to student teach in one of our local schools. This stipend is funded half by the state of Colorado and requires a 50% (\$5,000) private match per fellow.

The CMC Foundation seeks to raise \$150,000 annually to support 20-30 teaching fellows in our local elementary schools each year.

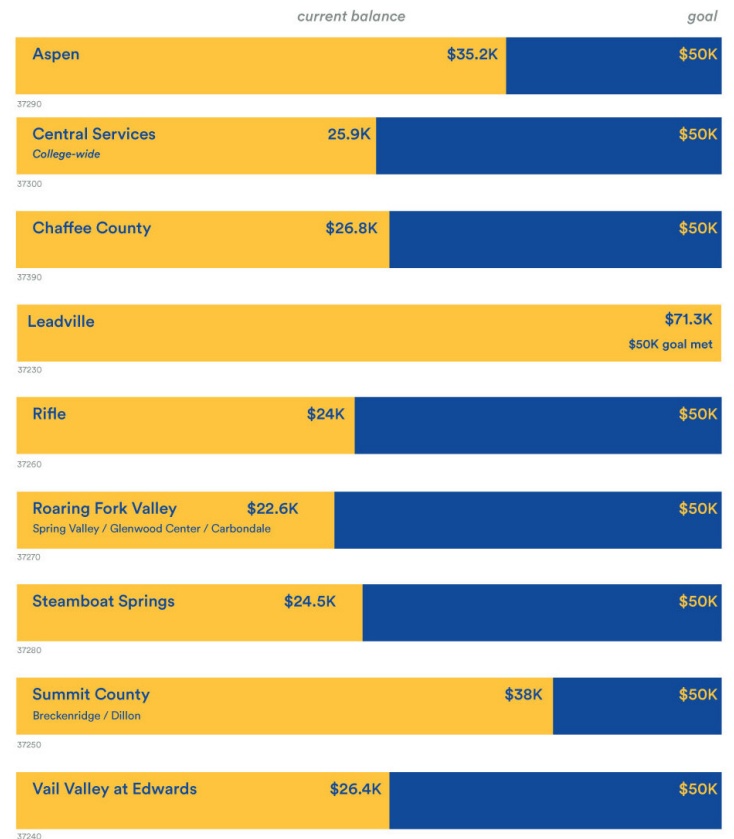

NURSING STIPENDS

Nursing students are faced with additional out-of-pocket expenses that can make it hard to stay on track. This newly created program will provide these students with \$1,000 to cover the cost of uniforms and travel expenses incurred while obtaining their degree.

The CMC Foundation has a goal of raising \$100,000 to endow this fund.
