

How to View Transfer Credit

This guide explains how to view transfer credit in Workday. The Transfer Credit Dashboard will display transfer credit from other institutions, courses awarded from exams, and/or Credit for Prior Learning.

View Transfer Credit

1. Navigate to your profile by clicking the head-and-shoulders icon in the top right corner of the screen, then click the "View Profile" button.

2. In the left navigation menu, select "Academics".

History

WORKDAY

QUICK REFERENCE GUIDE

- From the top navigation bar in your Academics Dashboard, select "Transfer Credit". This tab will only appear if you have transfer credit from other institutions, exams, or credit for prior learning. If you believe you should have transfer credit but don't see the tab, please schedule an appointment with your advisor.

The screen will display any coursework credit that has transferred in from previously attended institutions.

For students previously in Colleague, transfer credits appear as a Transfer Credit from Conversion Transfer Course.

Credit From Coursework

From Transfer Credit

16 items

	Transfer Credit	Credits	Grade	Originating Coursework
Q	CHE 101 - Introduction to Chemistry I	5	T	Transfer Credit : CTC-9999 : Conversion Transfer Course

WORKDAY

QUICK REFERENCE GUIDE

For new students in Workday, or for students who have transferred credit from another institution after March 2026, the record will display both the previous institution and the originating coursework from which the credit was transferred.
