

This petition is used to request a review of tuition classification from In-State to In-District.

The Colorado Mountain College Board of Trustees has authorized individuals otherwise classified as in-state for tuition purposes to pay the in-district tuition rate after being domiciled in the CMC District for 32 days or more.

If changes to tuition classification are requested for the current semester, this petition must be completed, signed and returned to the campus [Tuition Classification Officer](#) within 10 business days of the start of the semester.

If you are 23 years of age or older and have been classified as in-state for tuition purposes, you may apply for in-district tuition status using this form.

Individuals who are under 23 years of age and/or those classified as Out-of-State for tuition purposes should seek assistance from their Campus Tuition Classification Officer to determine if they need to submit the Emancipation Form and/or provide any other documentation.
